## IN ACUPUNCTURE - CLINICAL ACUPUNCTURE (WESTERN APPROACH)

# Austin Duy Nguyen

Upon successful completion, students will be awarded the title Acupuncturist (Dip.Acu).
This certifies the successful completion of a 12-month course in Acupuncture. The program provided comprehensive training in the Western approach to acupuncture, with a strong emphasis on safe and effective needle handling, infection control, recognition of red flags, and client safety protocols.
The curriculum encompassed both theoretical and practical components, including acupuncture point location, neurophysiology, treatment planning, clinical application, and adherence to professional standards of practice. Completion of this course reflects dedication to developing advanced knowledge, skills, and competency in the field of acupuncture.

Course Hours: 300
